- **Exemplar Education** are a company that provides online numeracy and literacy support programmes, aimed at parents who wish to do something extra at home in support of schoolwork. An information leaflet has been sent home to every family today. The school is not endorsing the programme, but some families may wish to take the opportunity to find out more for themselves. It would be appreciated if you would complete the slip and return to school by Wednesday 16th May, regardless of your level of interest.

- **School Absences** must be reported in writing to your child's teacher as soon as possible, usually on your child's return to school. This ensures the correct absence code can be entered to the official attendance register.

- **EVERY SCHOOL DAY COUNTS**

Every single day a child is absent from school equates to a day of lost learning.

100% Attendance	0 Days Missed
95% Attendance	9 Days of Absence
90% Attendance	19 Days of Absence
85% Attendance	28 Days of Absence
80% Attendance	38 Days of Absence
75% Attendance	46 Days of Absence

90% may seem like an acceptable level of attendance, but the reality is that 90% attendance means that your child will miss half a school day each week or 19 days of school during the school year - that's nearly 4 school weeks!
